Minutes of Meeting on September 18<sup>th</sup>, 2019

Attendance: George Watts, Bill Rademacher, Kevin Cartwright, René Guarneros-Mata, Norman Poynter, Steve Margolis, Paul Michael, and Tom (whose last name I don't know but will learn next time I see him)

- The club's bank account will be moved from Fort Knox Credit Union to the Cecilian Bank for convenience. The club needs to get a tax number as well as to incorporate as a non-profit organization. George will look into this.
- There was a brief discussion regarding purchasing a trolling motor and a deep cycle battery so we can retrieve wayward seaplanes at the lake. A possible way to organize the retrieval would be to have a different volunteer at each time we fly at the lake so that the responsibility does not fall on one person all the time. We would like to extend a big thank you to the indefatigable **Morgan** young men, **Chris** and **Nathaniel**, who have paddled their kayak up and down Freeman Lake to rescue aircraft in distress. **“Thank You Guys!”**
- For Mike's Memorial Fly-in we have eight members of Mike's family who are coming, also some of Mike's friends may come too. **All club members are encouraged to come and show Mike's family how much we appreciated him. Don't forget that your family members are also invited.**
  - There will be a moment of silence before lunch. After lunch we will raffle a number of items including: RC Transmitters/Receivers combos, a Multiplex Stunt Master airplane kit, a Vapor, a Night Vapor, a Blade helicopter, an eGift certificate to HorizonHobby.com and much more. **Many thanks to the club members who donated items for the raffle.**
  - Many thanks to **Bob Martin** for his generous donation of all of his RC equipment to the club. Some of the items for the raffle come from his donation. Thanks Bob!
  - Bill has volunteered to bring the containers for the raffle tickets and the donation jar. Remember that the donations will go to AMA and we hope to get enough to get a memorial brick in Mike's name for the Walk of Fame at the AMA's headquarters in Muncie, Indiana. Bill will also take care of hiring two porta-potties and a wash station.
- The Night Flight is scheduled for Saturday October 19<sup>th</sup>, 2019. Many of the very nice items from Bob Martin's donation will be raffled at that event. All proceeds will go to the club. For more details check the new announcement coming soon to your e-mailbox. Some of the items for the raffle include a Spektrum 9 channel transmitter with case, a Spektrum 7 channel transmitter with case, two fancy quadcopters, battery chargers, and more.

René Guarneros-Mata, Secretary
